

Eclipse™ xtra sanitary disposal

> Hygienic and discreet sanitary disposal service

A complete exchange service, taking away the used bin and leaving a clean one in its place.

Key features :

- More capacity for high footfall areas
- Antimicrobial material moulded in to the lid creating a hygienic surface
- Cleaned with Envirosan ® germicide to combat 99.99% of bacteria

Product innovation & design

- The flap is specifically designed to mask the contents of the bin from sight
- Foot pedals for hygienic operation, can be located either side of the cubicle
- Low profile design, sits below the toilet seat, avoids people contacting the bin

The Nickel collection

Designed to complement any washroom decor, the premium Nickel collection features a modern metallic finish, which adds a touch of class to any environment.

Fully compliant

Fully licensed and compliant with all waste management regulations, a full auditable waste trail is provided.

Environmentally conscious

The bin is fully recycled at the end of its life.

LifeCycle

Hygiene waste collected in this bin (across England and Wales) is diverted away from landfill to our LifeCycle plant, and turned into a highly efficient fuel that can power facilities, schools, public buildings and homes.

Technical specifications
